**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support competition in the marketplace and I believe that having more providers of internet services is vital to the health of local and national economies. I ask the FCC to help keep the smaller providers in business by refusing the price hikes to use the pipes of the larger companies. I rely on broadband for my business, and i am a very small business with a very thin profit margin.

I ask you to support competitive DSL rather than give more advantages to those who already have plenty of advantages.

Thank you for your support.
